Dear Parent/Carer,

## Reading books

As you are aware, in recent years, we have spent thousands of pounds purchasing new, high quality texts to support children's learning and develop their enthusiasm for reading across the school. We have worked hard to ensure that all children have access to a range of quality books that they can take home safely. Children reading books from the Read, Write, Inc program are allocated books by their class teacher based on their phonic level. In addition to this, all children will have the opportunity to take home another book of their choice from our school library. Children will have access to a range of genres including fiction, non-fiction and poetry.

## Caring for books

Please ensure your child looks after their books. They should not tear or crease the pages, bend the spines back or deface the pages by drawing or writing on them and - most important of all - keep books away from leaking water bottles or swimming kits. A lot of time and money has been spent providing these top quality books and we need your support to ensure that every child is able to benefit in the long term. Your child must have their reading book and reading record in school every day; therefore, please support both us and them in ensuring they have a suitable school bag to carry books to and from in.

## Lost or damaged books

So that we can continue to provide high quality texts, any child with an overdue loan will not be allowed to take a new library book home until the overdue one is returned or paid for. Charges of £5 for any lost or damaged books will be made and go towards replacing the book. If a lost book is subsequently found, and is in good condition, your payment will be refunded.

Thank you for your understanding in this matter. We want to ensure all children get the best resources to support a key part of their education and learning.

Kind regards,

A Hagan

Mrs A. Hagan
