

Targets to be 'school-ready'

During the Nursery Year your child will be encouraged to...

Be resilient and explore a range of activities on offer within the nursery environment.	
Ask questions, take risks and find solutions.	
Build effective relationships with their keyworker and peers.	
Develop a broad range of knowledge and skills from everyday activities.	
Develop a healthy lifestyle through physical activity and healthy lifestyle choices.	
Feel proud of their achievements.	
Control their actions and behaviour.	
Put on their own shoes and socks.	
Put on their own coat and puddle suit.	

Gain control of their bowel and bladder control.	
Attend to their own toileting needs.	
Independently wash and dry their hands.	
Initiate conversations with adults and peers.	
Form friendships.	
Share resources and ideas with peers.	
Sing actions rhymes and songs	
Listen to and talk about stories.	
Talk about and share experiences from home
