“Aim high – Live life to the full”

CT/DM

19th September 2023

Dear Parent/Carer,

At Blessed Sacrament Catholic Primary School we are proud to have a successful and established Band Programme that enables our students to take part in a variety of concerts and festivals. There are many life-long benefits of being a band member. Being a musician maps the human mind for success in all avenues of life. The learned skills needed to excel in music are transferable to every academic subject. By excelling in a musical instrument your child will gain self-esteem, confidence, discipline, endurance, co-operation skills and a great relationship with their peers.

Should your child decide to take up the study of a musical instrument they will receive group tuition on a weekly basis, provided free of charge, with specialist instrumental tutors for the duration of Years 5 and 6. Further instrumental study in secondary school is also possible and information regarding this will be provided to you prior to your child's transition.

Over the last few weeks I have been able to visit your child's class to demonstrate the instruments that we have on offer. A selection of instruments available are:

- Flute
- Clarinet
- Alto Saxophone
- Trumpet/Cornet
- Trombone
- Horn

If you feel your child is genuinely interested in pursuing a musical instrument then please could I ask you to complete and return the expression of interest slip below and at the same time invite you to attend our Instrumental Hire Night. This will take place on **Monday 25th September** beginning at **6pm** and will be held in the **Junior Building** at **Blessed Sacrament Catholic Primary School**. During the evening you will be able to find out more detailed information about the process of hiring or purchasing an instrument and what our Band Programme can offer to you and your child. Please note if there is still building work in the hall we will still go ahead in a different room.

I look forward to meeting you and your child at the forthcoming Instrumental Hire Night and if you have any questions, do not hesitate to contact me: adamrobertsbrass@gmail.com

Yours sincerely,

Adam Roberts
