

# **BLESSED SACRAMENT Extended Services**

## **WHAT IS EXTENDED SERVICES?**

The 'Core Offer' requires all primary schools to offer access to highquality, childcare from 8:00am to 5:45pm, five days a week, 38 weeks a year. High-quality childcare enhances children's learning and social skills.

At Blessed Sacrament we decided a long time ago that quality and consistency for the children was important, to ensure this we provide our own childcare services. School staff deliver services on site as we know this reduces the number of transitions for children within their school day. We have found that our children respond well to seeing staff in dual roles in and out of the classroom environment.

## **WHY OFFER CHILDCARE?**

High-quality childcare creates a safe and stimulating environment that can boost children's learning as well as increasing their confidence and helping them develop better social skills. It can also give parents the freedom to work, study or take part in parenting classes.

After School Club runs every school day until 5:45pm. It provides our children with the opportunities to socialise with their peers and to make new friends from other year groups too. We offer planned and free-play activities, for our EYFS (Nursery and Reception) children activities are planned which both complement and further their development and learning alongside the class based opportunities. At After School Club, staff provide a warm and welcoming environment with the chance for children to take part in activities with friends and peers. Children can join in with outdoor play, creative art and crafts activities, engage with ICT and the internet in a controlled environment, and explore healthy eating opportunities with a range healthy and nutritious snacks.

## **SNACKS**

This helps the children to further develop their social skills and to try new foods they may not have tried before, sitting together around a table chatting.

Some examples of snack are: Crackers and Cheese with veggies, Fresh popcorn with honey and fruit, Pasta and sauce, Fruit salad to name but a few. We also once a week have a treat with a hot dog or slice of pizza something a little less healthy.
