

**Blessed Sacrament Catholic Primary School**

**Eco Newsletter**

*Spring 1 2024*

**Eco Schools Green Flag Award**

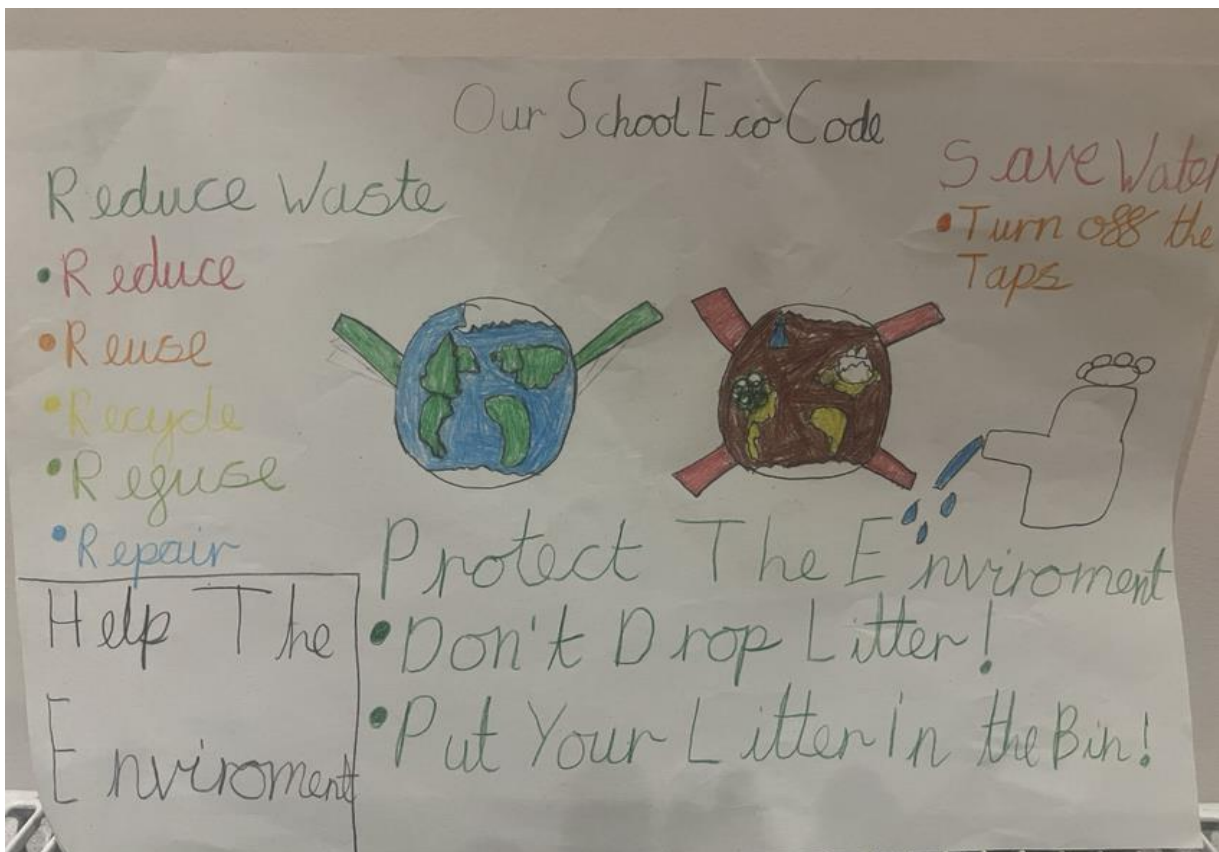

After our amazing achievement last year, we are working hard to renew our Green Flag award.

**Eco Team Meetings**

Since September, members of the Eco Team have met on a regular basis. We are currently working on renewing our Green Flag. The first step was to complete an Environmental Review. The children answered questions based on the ten environmental topics; Water, Energy, Waste, Litter, Healthy Living, Transport, Biodiversity, Marine, Global Citizenship and School Grounds. After completing the review, the children have decided to focus on Litter, Global Citizenship and Waste on our Action Plan this year.

## Eco Code

### Water Saving Tips

- Switch to showers.
- Turn off the taps when brushing your teeth.
- Make sure your dishwasher is full!
- Avoid overfilling your kettle and only boil what you need to.
- Fill up a jug of cold water and place it in the fridge rather than keep the tap running for a cold drink of water.

## Upcoming Eco Events/Days

### 27<sup>th</sup> February- International Polar Bear Day

<https://polarbearsinternational.org/act-now/awareness-events/international-polar-bear-day/>

### 3<sup>rd</sup> March- World Wildlife Day

<https://wildlifeday.org/en>

This celebrates wild animals and plants.

**15<sup>th</sup>-31<sup>st</sup> March-Great British Spring Clean**

<https://www.keepbritaintidy.org/get-involved/support-our-campaigns/great-british-spring-clean>

The Great British Spring Clean is the nation's biggest mass-action environmental campaign.

**18<sup>th</sup> March-Global Recycling Day**

<https://www.globalrecyclingday.com/>

## 22<sup>nd</sup> March-World Water Day

<https://www.unwater.org/our-work/world-water-day>

World Water Day celebrates water and raises awareness of the 2.2 billion people living without access to safe water.

## 23<sup>rd</sup> March-Earth Hour 8:30pm-9:30pm

<https://www.wwf.org.uk/earth-hour>

Millions of people across the globe unite to show that they care about the future of our planet, by switching off for one hour.
