SEND Newsletter

Dear Parents and Carers,

Welcome to our first SEND Newsletter!

Its aim is to keep all parents of pupils with SEND up to date with important information regarding SEND at our school. It will also include some of the amazing learning achievements from the children at school, along with important dates, workshops and activities that may be of interest to parents, carers and children.

We hope you will find it useful and informative!

We would like to thank all parents/guardians that have already attended one of our coffee mornings this year.
