Statement of intent

Blessed Sacrament Catholic Primary School understands that a fair and transparent policy is needed to establish the pay structure of teaching staff at the school.

As a result, the school has developed this policy to ensure that all members of teaching staff are aware of the basis on which the school determines teachers' pay, the process for annual pay reviews and progression, and the process for addressing any grievances teachers may have concerning their pay.

In accordance with the 'School teachers' pay and conditions document 2018', all pay progression at the school is linked to performance. For this reason, all pay progression decisions will first be determined by the school's Teacher Appraisal and Capability Policy.

This policy aims to:

- Assure the quality of teaching and learning at our school.
- Support recruitment and retention, and reward teachers appropriately.
- Ensure accountability, transparency, objectivity and equality of opportunity.

NB. The 'School teachers' pay and conditions document 2018 and guidance on school teachers' pay and conditions' will be referred to as the STPCD from hereafter.

1.2. This policy operates in conjunction with the following school policies:

- Teacher Appraisal and Capability Policy

2. Definitions

2.1. For the purpose of this policy, **“highly competent”** means an individual whose performance is not only good, but is also good enough to provide coaching and mentoring to other teachers. An individual who is highly competent will be able to give advice to other teachers, demonstrate effective teaching practice and know how to make a wider contribution to the work of the school.

2.2. For the purpose of this policy, a **“substantial”** contribution means an individual who plays a critical role in the life of the school and continuously offers significant value. An individual who makes a substantial contribution to raising pupil standards, takes advantage of opportunities for professional development and uses the outcomes of such to effectively improve pupils' learning.

2.3. For the purpose of this policy, **“sustained”** means maintained continuously over a long period of time, e.g. over two school years.

3. Roles and responsibilities

3.1. The governing board is responsible for:

- Making any pay decisions at the school.
- Reviewing each teacher's salary on an annual basis.
- Ensuring arrangements are in place for notifying staff members of their position on the pay range, as well as any allowances they may be eligible for.
- Ensuring that sufficient funds are available in order to support pay decisions.
- Determining the extent to which specific functions relating to pay determination and the appeals process will be delegated to others.
- Monitoring the outcomes of this policy and reviewing any changes as necessary.

3.2. The headteacher is responsible for:

- Developing clear arrangements for linking teachers' performance to pay progression.
- Ensuring that effective appraisal systems are in place, and that members of staff have the knowledge and skills necessary to apply these procedures fairly.
- Submitting any pay recommendations to the governing board for approval.
- Ensuring that the governing board has sufficient evidence upon which to make decisions regarding pay.
- Keeping teachers well-informed of any decisions made regarding pay progression, as well as ensuring that written records are held.
- Maintaining records or decisions and recommendations made, and evidencing that all decisions have been made fairly.
- Submitting updates to this policy to the governing board for approval.
- Communicating any approved changes to this policy to all teaching staff.
- Carrying out their professional responsibilities, as outlined in Appendix A.

3.3. Teachers are responsible for:

- Engaging with their appraisal; this includes working alongside their appraiser to ensure that there is a suitable amount of evidence available in order for an annual pay review determination to be made.
- Keeping records of their objectives and reviewing them throughout the appraisal process.
- Ensuring that they share any evidence for their appraisal that they consider relevant with their appraiser.

- Appraising the performance of other teachers, if delegated to do so by the headteacher.
- Deciding whether they wish to apply for progression to the upper pay range.
- Carrying out their professional duties, as outlined in **Appendix B**.

4. Working time and cover

- 4.1. Teachers employed full-time will be available to work 195 days a year, of which:
 - 190 days will be spent teaching pupils and performing other duties.
 - 5 days will be spent performing other duties only.
- 4.2. The 195 days in which teachers at the school are required to work will be specified by the LA, or by the headteacher if directed.
- 4.3. Teachers employed full-time will be available to perform their duties at such times and places as specified by the headteacher for 1265 hours, which will be allocated reasonably throughout the specified 195 days of the school year.
- 4.4. Part-time teachers are bound by the same conditions of employment as full-time teachers.
- 4.5. Part-time teachers will not be required to work or attend non-pupil days, or parts of days, on days which they would not normally be expected to work.
- 4.6. Members of the leadership group, employees on the leading practitioner pay range and unattached teachers will not operate on a time-bound contract; therefore, the working time provisions stipulated within the STPCD will not apply to these employees.
- 4.7. All members of teaching staff will be required to work additional hours, within reason, to enable the effective discharge of their professional duties.
- 4.8. All members of teaching staff at the school will be provided with a written agreed statement which sets out the expectations of the school and the employee in relation to the deployment of working time.
- 4.9. In line with their professional duties, teachers are required to supervise, and so far as practicable, teach, any pupils where the person timetabled to take the class is not available to do so.
- 4.10. Subject to the STPCD, teachers will only be required to carry out their responsibility outlined in paragraph 4.9 rarely, and only in circumstances that are not foreseeable, for example, a teacher is absent without notice.
- 4.11. In line with 4.10, the school defines “rarely” as no more than twice per term.

5. Headteacher pay scale

- 5.1. Staff members within the leadership group, including headteachers, deputy/assistant headteachers and members of the school's SLT, will be paid within the following range:

	Salary (£)
Minimum	39,965
Maximum	111,007

- 5.2. In accordance with section 5 of the STPCD, the headteacher's salary will be calculated by using the number of pupils at Blessed Sacrament Catholic Primary School (the total unit score) to determine the appropriate headteacher group.
- 5.3. The school's total unit score, calculated in accordance with sections 6.1-6.6 of the STPCD, is 3,511; this means that the school belongs to headteacher pay range group 4.
- 5.4. The school's pay range is:

Headteacher pay scale (£)	
Group	England & Wales generally (£)
4	55,064 – 74,985

- 5.5. The school has established the following seven point pay scale range for headteacher posts:

Headteacher pay scale	
Group	Salary (£)
1 (min)	55,064
2	59,857
3	62,798
4	66,004
5	69,210
6	71,430
7 (max)	74,985

- 5.6. When determining where within the pay scale the headteacher will be placed, the governing board will consider the responsibilities of the role and any challenges specific to the role, as well as any other relevant considerations.

- 5.7. In the case of a newly appointed headteacher, the governing board will consider whether the requirements of the post, and the extent to which the preferred candidate meets these requirements, mean that it would be appropriate for the individual to begin their post above the minimum range for the headteacher group.
- 5.8. Upon selecting a pay range, the governing board will ensure that there is enough room for performance-related pay progression over time.
- 5.9. The governing board may award a salary above the maximum pay range for the headteacher group where it believes that the requirements of the role or individual allow for a higher than normal payment.
- 5.10. The governing board will ensure that any payment above the maximum pay range for headteachers is not exceeded by more than 25 percent.
- 5.11. Where a teacher is appointed as a member of the leadership group for a fixed period, or under a fixed-term contract, they will be notified of the circumstances which will bring the fixed period, or fixed-term contract, to an end.
- 5.12. The deputy/assistant headteacher's pay range will not exceed the maximum pay range of the headteacher group for the school; the pay range for the deputy/assistant headteacher will not overlap the headteacher's pay range, unless in exceptional circumstances.
- 5.13. It is at the discretion of the governing board to review all leadership post pay determinations after 1 September.

6. Classroom teacher pay scale

- 6.1. The governing board will determine the pay range for a vacancy prior to advertising it, having regard to the following:
 - The requirements of the role
 - Any specialist experience required for the role
 - The experience required to undertake the specific duties of the role
 - The wider school context
- 6.2. The governing board will determine the starting salary within the given pay range to be offered to the successful candidate.
- 6.3. The governing board has established the following six point and three point pay scale range for classroom teacher posts on the main pay range and the upper pay range:

Classroom teacher pay scale	
Group	England & Wales generally (£)

Main pay range	
1 (min)	23,720
2	24,002
3	25,932
4	27,927
5	30,128
6 (max)	35,008
Upper pay range	
1 (min)	36,646
2	37,923
3 (max)	39,406

- 6.4. The governing board will not restrict the pay range advertised, or pay progression available, other than the minimum of the main pay scale and the maximum of the upper pay range.
- 6.5. When making pay determinations for new appointees, the governing board will award pay scale points to determine the starting salary of the teacher.
- 6.6. The governing board will adhere to the following process when awarding pay scale points for NQTs, teachers on the main pay range and teachers on the upper pay range:
- One point for every one year of service as a qualified teacher in a maintained school, academy or independent school
 - One point for every one year of service as a qualified teacher in HE or FE, including sixth form colleges
 - One point for every three years of non-teaching experience spent working in a relevant area, including time spent working in an occupation relevant to a classroom teacher's role in a school and experience with children and young people
 - One point for every three years of other remunerated or unremunerated experience, including caring for children during a career break
- 6.7. When determining the starting salary for a classroom teacher who has previously worked in a maintained school, academy or independent school, the governing board will:
- Pay the teacher on the main pay range or upper pay range at a scale point which at least maintains the teacher's previous pay entitlement.
 - Award any pay progression that they would have received if they had remained at their previous post.
- 6.8. The governing board **will** pay a teacher on the upper range if:

- The teacher is employed in the school as a 'post-threshold teacher', defined as such in accordance with the definition outlined in the STPCD's 'Annex 2' (p.57).
- The teacher applied to be paid on the upper pay range in accordance with section 14 of this policy and their application was successful.
- The teacher was employed as a member of the leadership group in the school on or after September 2000, and has secured the position for one year or more.

NB. The above criteria are only applicable without any break in the teacher's continuity of employment.

6.9. The governing board **may** pay a teacher on the upper range if:

- The teacher is defined as a post-threshold teacher, but was not employed as such at the school, or was employed as such before a break in the continuity of their employment.
- The teacher applied to another educational setting to be paid on the upper pay range and their application was successful.
- The teacher has formerly been paid on the pay range for leading practitioners as outlined in section 7 of this policy.
- In the case of an unattached teacher, the teacher previously applied to be paid on the upper pay range and that application was successful.

7. Leading practitioner pay scale

7.1. The governing board may appoint a teacher as a leading practitioner if it is deemed that the primary purpose of the teacher's role is to model and lead the improvement of teaching skills.

7.2. The governing board has established the following 18 point pay scale range for leading practitioner posts:

Leading practitioner pay scale	
Group	England & Wales generally (£)
1 (min)	40,162
2	40,552
3	41,562
4	42,597
5	43,665
6	44,841
7	45,876
8	47,021
9	48,228
10	49,481
11	50,620
12	51,886
13	53,180

14	54,503
15	55,951
16	57,237
17	58,450
18 (max)	61,055

- 7.3. The governing board will consider the weight of the responsibilities of the post when determining the pay scale for a leading practitioner.
- 7.4. All newly appointed leading practitioners will be subject to the minimum of the pay range.
- 7.5. The governing board will ensure that there is enough room for pay progression in relation to performance over time for any individual entitled to the leading practitioner pay range.

8. Unqualified teacher pay scale

- 8.1. Where a staff member is a graduate teacher or is on the employment-based teacher training scheme, the governing board will determine whether the teacher is to be paid and be eligible for allowances as a qualified teacher or unqualified teacher.
- 8.2. The governing board has established the following six point pay scale for unqualified teacher posts:

Unqualified teacher pay scale	
Group	England & Wales generally (£)
1 (min)	17,208
2	19,194
3	22,088
4	23,984
5	25,881
6 (max)	27,216

- 8.3. A member of staff on the unqualified teacher pay scale will be notified of their position on the pay range and any allowances they may be eligible for.
- 8.4. The governing board may determine that an additional allowance is appropriate for unqualified teachers, where the individual has:
- Taken on a sustained additional responsibility which is focussed on teaching and learning, and requires the use of the teacher's professional skills and/or judgement.
 - Qualifications or experience which adds significant value to the role being undertaken.

- 8.5. An individual who works as an unqualified teacher, gains QTS and continues to work as a qualified teacher at the school will be transferred to a salary within the main pay range once they have obtained QTS.
- 8.6. The governing board will pay the qualified teacher a lump sum which is the difference (if any) between the remuneration the teacher was paid as an unqualified teacher and the salary (not including any allowances) the teacher would have been paid as a qualified teacher, from the date QTS was obtained to the date the lump sum is paid.

The qualified teacher will also be entitled to any allowance payable under paragraph 8.4 of this policy that the governing board deems appropriate.

9. Part-time and short-notice teachers

- 9.1. Part-time teachers, i.e. those who work on an ongoing basis but for less than a full working week, will receive pay in accordance with the school's timetabled teaching week for a full-time teacher in an equivalent post.
- 9.2. Teachers employed on a day-to-day basis, or by other short notice, such as supply teachers, will be paid on a daily or hourly rate equal to the pay of the individual who usually undertakes that role, but also in relation to any additional hours the teacher may agree to work from time to time at the request of the headteacher.
- 9.3. The salary and any allowances, except for TLR 3 payments, of part-time teachers will be determined in accordance with the pro rata principle. This means that the proportion of total remuneration corresponds to the number of hours that the teacher is employed in that capacity during the school's timetabled teaching week.

10. Unattached teachers

- 10.1. An 'unattached teacher' is a teacher who is employed by the LA in a central capacity.
- 10.2. The remuneration of an unattached teacher will be determined by the relevant body, having regard to the relevant provisions of the STPCD, this policy and the teacher's post within the school's staffing structure.
- 10.3. The remuneration of an unattached teacher will be determined in accordance with the provisions applicable to a member of the leadership group.
- 10.4. The teacher's conditions of employment that relate to professional duties and working time will be agreed between the teacher and the relevant body.

11. Applicable pay range

- 11.1. Where a teacher is employed under a contract that normally requires work in a higher paid area, such as the London area, but who is temporarily required

to work elsewhere, they will continue to be paid in accordance with the pay range applicable to the teacher's normal area of employment.

- 11.2. Where a teacher moves out of either the inner, outer or fringe area of London, they will continue to be paid on the range they were on, so long as the teacher continues to be employed as a teacher in a post in which the salary is paid by the same authority.
- 11.3. If a teacher was being paid on a London area pay range on the 31 August 2016, they will continue to be paid on that range unless otherwise dictated within the provisions of the STPCD, so long as the teacher remains in the post held on that date.

12. Pay reviews

- 12.1. The governing board will review each teacher's salary on an annual basis, with effect from 1 September, each academic year.
- 12.2. The governing board will conduct pay reviews at other times during the academic year to reflect any changes in circumstances or job description which, in turn, reflect the teacher's pay entitlements.
- 12.3. The governing board will conduct a pay review when a teacher joins the school or moves to the upper pay range.
- 12.4. All individual pay progression decisions will account for any uplift applied within the STPCD.
- 12.5. Any recommendations in pay will be made in writing as part of teachers' annual appraisals.
- 12.6. The governing board will provide each teacher with a written statement no later than one month after any review, outlining:
 - Any payments and financial benefits awarded to the teacher, as well as the period for which they are awarded.
 - Any safeguarding financial entitlements.
 - The nature of any fixed-term contract.
 - In the case of a leadership group or leading practitioner teacher, the basis and criteria on which remuneration has been determined.
 - The criteria for a pay review to be undertaken.
 - Information on where this policy is located.
 - The appeals procedure in relation to pay grievances.
- 12.7. Where a pay determination leads to, or may lead to, the start of a period of safeguarding, the governing board will give the required notification as soon as possible, and no later than one month after the date of a pay determination.
- 12.8. Under no circumstances will reductions in pay be backdated.

13. Pay progression based on performance

- 13.1. The governing board will consider annually whether to increase the salary of teachers who have completed a year of employment since their previous annual pay determination.
- 13.2. All pay determinations for the headteacher (including deputy and assistant headteachers), classroom teachers, leading practitioners and unqualified teachers, will be determined in accordance with the pay scales outlined in sections 5, 6, 7 and 8 of this policy respectively.
- 13.3. Decisions regarding pay progression will be made in accordance with appraisal reports and the recommendations that they contain, as outlined in the school's Teacher Appraisal and Capability Policy.
- 13.4. Pay progression decisions will be made each year and will be clearly attributed to staff members' performance.
- 13.5. All staff members with continued good performance should have an expectation of pay progression.
- 13.6. The decision to award pay progression will be made whether or not a teacher is subject to capability proceedings.
- 13.7. All pay recommendations will be submitted to the governing board in writing.
- 13.8. Final decisions regarding pay recommendations as a result of the teacher appraisal process will be made by the governing board, taking into account the appraisal report and evidence presented by the SLT.
- 13.9. To ensure fairness and transparency, assessments of performance will be properly supported by evidence, such as the following:
 - Self-assessments
 - Peer reviews
 - Lesson observations
 - Tracking pupils' progress
 - Feedback from pupils and parents
- 13.10. The school will use a combination of absolute and relative performance measures, such as benchmarking internally as well as comparing data to other schools nationally and of a similar standing, when submitting recommendations for pay progression.
- 13.11. The rate of progression will be subject to an individual teacher's performance.
- 13.12. Judgements will be made regarding the extent to which teachers have met their individual objectives and the relevant standards, as well as their impact on the following aspects:
 - Pupil progress

- Wider outcomes for pupils
 - Improvements in individually identified elements of practice, e.g. behaviour management and lesson planning
 - Impact on the effectiveness of teachers and other members of staff
 - Wider contribution to the work of the school
- 13.13. Teachers will be eligible for a pay increase of £500-£1,500 within their identified pay range if:
- They meet all their objectives.
 - They are assessed as meeting the relevant standards.
 - Their teaching is assessed as at least 'good'.
- 13.14. Teachers will be eligible for a pay increase of £1,500-£2,500 within their identified pay range if:
- They meet all their objectives.
 - They are assessed as meeting the relevant standards.
 - Their teaching is assessed as at least good, with some areas of 'outstanding'.
- 13.15. The highest performing teachers will be eligible for a pay increase of £2,500-£3,500 within their identified pay range if:
- They are judged as being within the top 10 percent of teachers in the school, and meet the absolute expectations for pay progression.
- 13.16. NQTs are not automatically entitled to pay progression following successful completion of their induction period.
- 13.17. The governing board will use any evidence from an NQTs induction period, such as those outlined in section 13.9 of this policy, to inform any decisions regarding pay progression.
- 13.18. The governing board will determine where, within their pay range, an NQT's annual salary will be fixed.
- 13.19. For any teacher due to go on maternity leave, the school will ensure that appraisals are conducted before this maternity leave, and that the teacher receives any pay progression entitled to them upon their return.
- 13.20. The school will make reasonable adjustments to the appraisal process as it sees fit for any teachers who are absent due to disability. Upon their return, the teacher will be entitled to any pay progression as outlined before their absence.
- 13.21. The governing board will decide on an annual basis whether to increase the salary of any leadership teachers, including the headteacher and deputy/assistant headteachers.

- 13.22. The governing board will award additional scale points for any leadership teacher who demonstrates sustained high-quality performance in relation to school leadership, management and pupil progress.

14. Application to be paid on the upper pay range

- 14.1. All qualified teachers are entitled to apply to be paid on the upper pay range.
- 14.2. Teachers can apply to be paid on the upper pay range whilst on any spinal point within the main pay range.
- 14.3. Applications for the upper pay range will only be made once a year using the Upper Pay Range Application Form. This form will be submitted to the teacher's appraiser at their performance appraisal meeting.
- 14.4. Evidence, such as that outlined in section 13.9 of this policy, will be used to decide whether the teacher can be moved to the upper pay range.
- 14.5. Teachers simultaneously employed at an additional school can submit more than one application; however, the school is not bound by any pay progression made at an additional school.
- 14.6. To move a teacher to the upper pay range, the governing board will be satisfied that both of the following criteria have been met, in accordance with the STPCD:
- The teacher is highly competent in all elements of the relevant standards
 - The teacher's achievements and contributions to the school are substantial and sustained
- 14.7. The governing board will be satisfied that the teacher has met the expectations for progression to the upper pay range if the Upper Pay Range Progression Criteria has been met successfully during **two** consecutive performance appraisals.
- 14.8. The appraiser of the teacher, in conjunction with the headteacher, will make the initial decision as to whether the individual's application is successful.
- 14.9. The governing board will make the final determination as to whether the individual's application is successful.
- 14.10. Teachers will receive written notification of whether their application has been successful or not within **10** working days of submitting their application, and no later than one month after the initial application.
- 14.11. If unsuccessful, teachers will receive feedback from their appraiser within **15** working days of the decision, and no later than one month after the initial

application, outlining the reasons for the decision, as well as future aims and objectives based on the unsuccessful criteria.

14.12. If successful, applicants will be moved to the upper pay range from the first day that they receive this entitlement.

14.13. The governing board will decide where on the upper pay range an applicant will be placed, in accordance with the individual's performance.

14.14. Teachers may be placed at different points on the upper pay range with consideration to:

- The nature of the post and the responsibilities required.
- The level of qualifications, skills and experience of the individual teacher.

15. TLR payments

15.1. The governing board will consider awarding qualified classroom teachers with a TLR payment if they undertake sustained additional responsibility for ensuring high-quality teaching and learning.

15.2. The governing board has established the following four point pay scale ranges for TLR1, TLR2 and TLR3 payments:

TLR pay scale	
Group	Payment (£)
TLR1	
1 (min)	7,853
2	9,287
3	11,027
4 (max)	13,288
TLR2	
1 (min)	2,721
2	3,870
3	5,127
4 (max)	6,646
TLR3	
1 (min)	540
2	1,203
3	1,889
4 (max)	2,683

- 15.3. The governing board will consider awarding a fixed-term TLR3 payment to a qualified classroom teacher for clearly time-limited school improvement projects, or one-off externally driven responsibilities.
- 15.4. The governing board will establish the time frame of any fixed-term payment before the payment is made. The payment will be provided monthly for the duration of the specified fixed term.
- 15.5. Teachers are unable to hold a TLR1 payment and a TLR2 payment at the same time; however, they can hold a TLR3 payment with either a TLR1 or TLR2 payment.
- 15.6. To be awarded a TLR3 payment, the governing board will be satisfied that the teacher's additional responsibilities are not required of all other classroom teachers and that they:
- Are focussed on teaching and learning.
 - Require the use of the teacher's professional skills and judgement.
 - Require the teacher to lead and manage pupil development across the curriculum.
 - Have an impact on the educational progress of pupils other than those who are in the teacher's assigned classes.
- 15.7. To be awarded a TLR1 or TLR2 payment, the governing board will be satisfied that the teacher meets all the criteria outlined in 15.6, as well as responsibilities which:
- Require the teacher to lead, manage and develop a subject or curriculum area.
 - Involve leading, developing and improving the teaching practice of other teachers.
- 15.8. Before awarding a TLR1 payment, the governing board will also be satisfied that the teacher's additional responsibility includes acting as a line manager for a significant number of staff.

16. SEND allowance

- 16.1. The governing board has established the following four point pay scale range for SEND allowances:

SEND pay scale	
Group	Payment (£)
1 (min)	2,149
2	2,733
3	3,404
4 (max)	4,242

- Are successful for any teaching post which requires a mandatory SEND qualification.
 - Are required to teach pupils in one or more designated special classes.
- 16.2. The governing board will consider the following factors when awarding SEND allowances and deciding how much will be paid:
- Whether any mandatory qualifications are required for the role
 - The qualifications and expertise of the teacher selected for the role
 - The responsibilities and demands of the role
- 16.3. The governing board will award SEND allowances each month to teachers on the same day that they receive their payments for their responsibilities as a classroom teacher each month.
- 16.4. Teachers will be notified in writing of the amount of SEND allowance they will receive 10 days before the first payment is made, and no later than one month before the first payment is due.

17. Acting allowances

- 17.1. The governing board will decide whether to award allowances to any teacher who is required to act as headteacher or deputy/assistant headteacher for a period more than four weeks.
- 17.2. If the teacher is to be awarded an acting allowance, the payment will be backdated to the day on which they assumed the additional responsibilities.
- 17.3. The teacher will receive an acting allowance which is equal to that of the individual who usually undertakes that role.

- 18.3. The governing board may decide to make payments to teachers, as it deems necessary, as an incentive for the recruitment of new teachers and the retention of existing teachers.
- 18.4. The governing board will ensure that the amount of retention and recruitment payments teachers will receive is clear, as well as the duration of the payment and the review date after which they may be withdrawn.
- 18.5. Any payment to teachers for residential duties will be determined by the governing board.
- 18.6. The governing board may award additional payments to the headteacher for any temporary responsibilities which are in addition to their usual duties and the post for which their pay has been determined.
- 18.7. Additional payments to the headteacher will not exceed the headteacher's annual salary or the maximum of headteacher group 4 by 25 percent, except where the governing board deems there to be exceptional circumstances.
- 18.8. The governing board will obtain external independent advice and create a business case where it believes that the headteacher's salary should be increased by above 25 percent.
- 18.9. Where a teacher is temporarily seconded to a post as headteacher in a school that is not the teacher's normal place of work, and the governing board of that school considers that the teacher merits additional payment to reflect sustained high quality of performance throughout the secondment, the governing board will pay the teacher a lump sum accordingly. This payment will not exceed 25 percent above the maximum of the headteacher group for the school to which the teacher is seconded.

19. Safeguarding arrangements

- 19.1. All entitlements to safeguarding allowances will be made in accordance with sections 30-37 of the STPCD.
- 19.2. The safeguarding provisions outlined in this section, and Part 5 of the STPCD, only apply when:
 - A teacher loses their post as a result of closure or reorganisation of a school and takes up a new post on or after 1 January 2006, and is employed by the same authority or at a school maintained by the same authority.
 - The relevant body determines that, because of a change to the school's pay policy or staffing structure, the duties for which the teacher was awarded a TLR1, TLR2 or unqualified teacher's allowance no longer include the responsibility for which the respective allowance was awarded, include a different responsibility, or the responsibility merits an allowance of a lower annual value.

- The relevant body decides to reduce the number of members of the leadership group or teachers paid on the range for leading practitioners.
 - The relevant body decides to lower a pay range applicable to a member of the leadership group or a teacher on the pay range for leading practitioners.
- 19.3. Where a safeguarded sum is payable, the relevant body will notify the teacher in writing within one month of making the decision that a sum is payable.
- 19.4. The teacher will be notified of the following information:
- The reason for the decision
 - The date on which the decision will take effect (if known)
 - The value of the teacher's pre-safeguarding salary
 - The value of any allowances the teacher was entitled to before the circumstances in paragraph 19.2 took effect
 - The amount of the safeguarded sum or enough information to reasonably determine the maximum amount of the safeguarded sum
 - The date the safeguarding period will end, or the circumstance which will result in payment of the safeguarded sum ending
 - The location of a copy of the school's staffing structure and Teachers' Pay Policy
- 19.5. The length of period the safeguarded sum will be paid for will be in accordance with page 33 of the STPCD.
- 19.6. Where the total of a safeguarded sum exceeds £500, the relevant body will review the teacher's assigned duties and allocate additional duties to the teacher which are considered appropriate and proportionate with the safeguarded sum. The teacher will carry out these additional duties for as long as they continue to be paid the safeguarded sum which exceeds £500.
- 19.7. Where a teacher refuses to carry out such additional duties, they will not be paid the safeguarded sum and they will be notified of this decision at least one month before the payments cease.
- 19.8. During the safeguarding period, where a teacher receiving a safeguarded sum in respect of the loss or reduction to an allowance becomes entitled to an allowance or an increased allowance, the safeguarded sum will be reduced by the amount of the allowance, or the increase therein, for as long as the teacher is entitled to the new/increased allowance.
- 19.9. Where a safeguarded sum is payable due to the circumstances outlined in the final two bullet points of paragraph 19.2, the safeguarded sum will be discontinued whilst the teacher occupies a post as a member of the leadership group, or carries out the duties of a teacher paid on the pay range for leading practitioners in the absence of that teacher, for as long as the teacher occupies the post or carries out the duties in question.

- 19.10. Where the first bullet point of paragraph 19.2 applies, the safeguarded sum will be reduced by the value of any subsequent TLR or SEND allowance awarded to the teacher, for as long as the teacher is entitled to the TLR or SEND allowance.
