class.

This

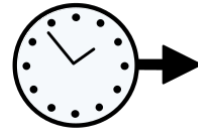

is

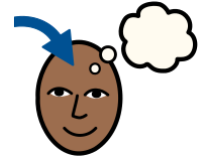

where

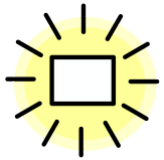

I

will

learn

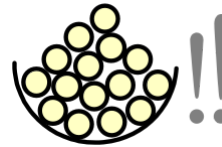

new things

+

and

spend

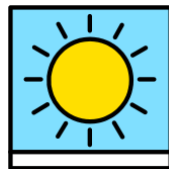

most

of

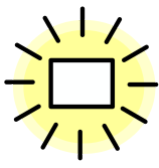

my

day.

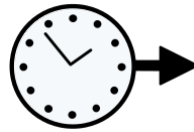

My

new

teacher

will

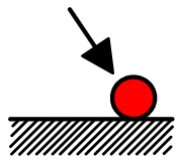

be

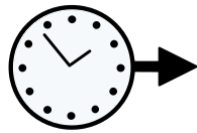

called

Jasmine.

There

will

++

also

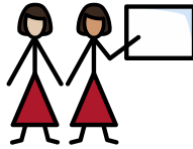

be

2

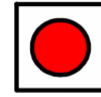

two

learning support

officers

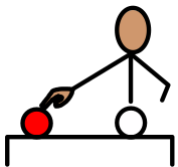

in

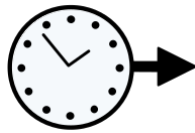

my

class

that

will

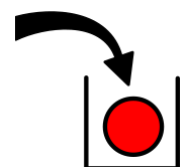

help

me

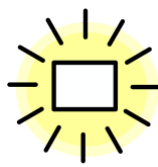

settle

into

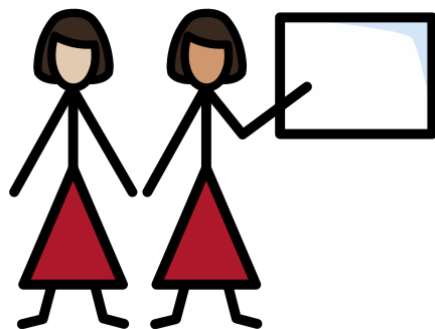

my

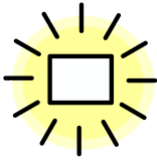

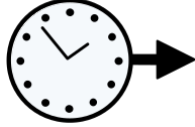

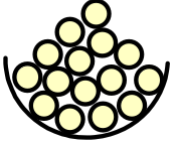

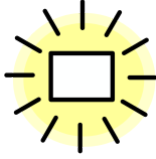

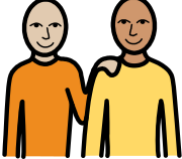

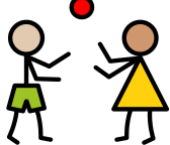

new

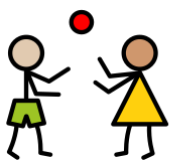

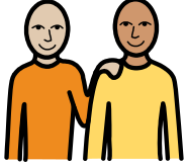

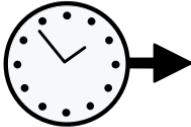

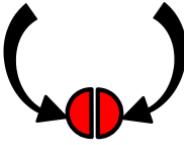

class.

        
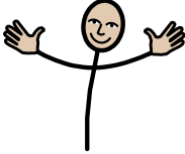

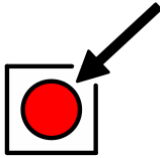

At my new school, I will make

       
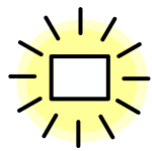

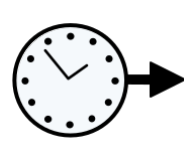

lots of new friends, who I can play

     
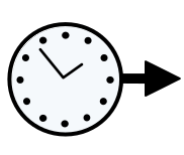

with at playtime.

       
My friends will make me feel

       
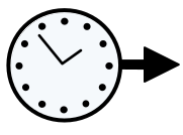

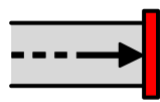

welcome and help me while I

     
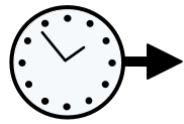

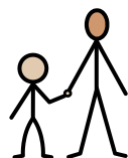

settle in at The Treehouse.

 At  my  new  school,  I  will  arrive  at

8.30am.  I  will  come to  school  in a

 taxi or  school bus.

 I  will  finish  school  at 2.30pm.

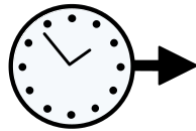

A  taxi or  school bus  will  take me  home

 to my  family.

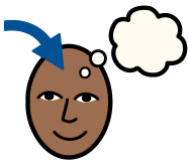

During my day at school,

I will spend my time

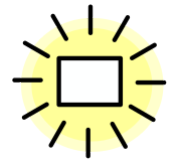

+

learning and having fun.

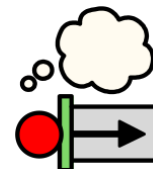

It is okay to feel nervous or

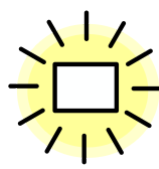

worried about starting my new

school. My teachers and parents

can help me feel prepared for

my new school.
